

Big Tech Season Special — Terms & Conditions

IQ Option (the “Company”) may offer “Big Tech Season Special” promotions at its sole discretion.

These Terms form part of the Company’s general Terms and Conditions (the “Agreement”). By participating, you confirm that you have read and accepted these Terms. The Company may modify or cancel the promotion at any time without prior notice.

1. Promotion Period

The promotion runs from **April 1, 2026 to May 1, 2026 (UTC)**.

2. Eligibility

To participate, you must:

- Have a registered and verified trading account
- Receive an invitation to the promotion
- Make at least one deposit using the promo code **EARNINGS**

Employees of the Company are not eligible.

3. How to Participate

- Get one ticket for the draw with each deposit made with promo code EARNINGS
- Multiple deposits earn multiple tickets, with no maximum limit
- The promo code must be entered at the time of deposit and cannot be applied retroactively

4. Prize

- **10 winners** will be selected by random draw
- Each winner receives **\$1,000 (or equivalent)** credited to their trading account
- **No physical device will be provided**

5. Winner Selection & Reward

- The draw will take place by **May 8, 2026**
- Winners will be notified via email within **5 business days after the draw**
- The prize will be credited within **10 business days** after the draw

6. Earnings Season Booster

- All eligible participants will receive an **exclusive trading strategy via email**
- The trading strategy will be sent within **2 business days** after a qualifying deposit

- The trading strategy is limited to **one per user**, does not constitute financial advice and is intended for informational purposes only

7. Additional Conditions

- The Company may correct or remove rewards issued in error
- Fraud, abuse, or violations may result in disqualification and account action
- Prizes may require account verification before withdrawal
- Prize value is credited in the account's currency
- The Company's decisions are final
